**Brighton Central Angling Club Inc. encourages competitors to release any unwanted fish that they have caught in order to ensure that our fishing future is kept alive.**

**To further reduce the number of fish killed in our waters, competitors are only required to weigh in his or her best fish of each species per day.**

**As a further conservation measure the club has set a minimum size on Snapper 40cm, Whiting and Flathead which stands at 30cm, and Garfish at 25cm.**

### Fishing Rules:

- \* Fishing restricted to Port Phillip Bay only.
- \* Anglers found to be fishing or are reported fishing outside Port Phillip Bay will face disqualification.
- \* All fishing must comply with current recreational fishing regulations of the State of Victoria.
- \* All boat operators in line with boating regulations, must have at least one member per boat with a current boat operators licence. All boats must be seaworthy and carry the relevant safety equipment on board.
- \* In the event of bad weather, the competition will not be called off. However anglers who go fishing do so at their own risk.
- \* **SNAPPER** minimum length **40cm**, **Junior competition only**, **WHITING** and **FLATHEAD** have a minimum length of **30cm** and **GARFISH** at **25cm**.
- \* All anglers may weigh in one fish per species per day including the heaviest snapper.
- \* All fish presented to the weigh station will be clipped to eliminate re-weighing.
- \* Whole fish will only be accepted for weigh in. Gutted or mutilated fish, fish that have been frozen or that are in poor condition will not be accepted.
- \* No fish will be accepted for weigh in after 1pm Sunday 26th October 2008.
- \* In the event of any disputes arising, the event organisers decision will be final and no correspondence will be entered into.
- \* Any angler found to be in breach of these rules or conditions of entry will be subject to disqualification from the competition.
