RECOGNISED FISH SPECIES

The guide to club size limits provides a useful reference of recognised fish species in club competitions.

The following species are **not** recognised species for the purposes of club fishing competitions and club weigh ins

- Carpet sharks
- Eels
- Leopard Sharks
- Skates
- Southern blue fiddler sharks
- Stingrays
- Toadfish
- Wrasse (other than blue throat wrasse)

Unless otherwise stated a club species minimum size limit of 25cm applies.
